

Class Policy on Collaboration

- Your instruction will address HW-related questions for *up to one-week after the due date*.
- You may study in groups, but you may *not* discuss HWs among yourselves.
- Each student is expected to work out the HW programs *independently*.
- Under *no circumstances* may you look at another student's HWs.
- You are encouraged
 - to discuss the class material on the *course website and*
 - post your queries on *slack* for your instructors and peers to comment
- **You are not allowed to**
 - discuss HW problems nor give out hints to the HW problems or
 - provide hints or suggestions on slack or
 - discuss projects, tests, exams and quizzes, unless explicitly assigned a group quiz or a group HW.
 - Note: You will be given opportunities to work in groups
 - use chatGPT or other generate AI tools to complete your HWs, projects, tests, exams and quizzes unless explicitly permitted by the instruction team

All violations will be treated as violations of the Code of Academic Integrity.

Justice, Equity, Diversity, Inclusion (JEDI)

Website: <https://www.cs.seas.gwu.edu/justice-equity-diversity-and-inclusion-jedi-committee>

- It is our intention that this course serve the needs of all students who have the prerequisites.
- We believe that the diversity of background and of perspective among the students and the instructional team is an asset.
- We will strive to present material that is respectful of the diverse backgrounds and characteristics of the student body and the instructional team.
- Each of us, whether student or instructional team member, is expected to treat all others with respect. Disrespect in any form will not be tolerated.
- Please contact Bulusu with any concerns or suggestions.

University Policies

See "[Course policies](#)" section on the course website more information

- **Course material, including videos are only for personal use.**
 - Subject to disciplinary action if you share any of this material
- If you wish to avail of a **religious holiday**, you need to tell me in the first week of class.
- **Disability Support Services (DSS) 202-994-8250**
 - Any student who may need an accommodation based on the potential impact of a disability should contact Disability Support Services to establish eligibility and to coordinate reasonable accommodations. disabilitysupport.gwu.edu
- For other policies, including academic integrity, counselling, virtual academic support, safety and security, see **University Policies** under the course policies-section on the [course webpage](#).
